DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 6/24/08 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).

The previous Office Action required a species election between:

b)The claimed molecule elected above which is unlabelled, conjugated with a drug, conjugated to a cytotoxic agent or conjugate to a radioisotope.

It is unclear as to what "labeled" as per applicants response refers to (aka does it refer to conjugated to a drug or conjugated to a cytotoxic agent or conjugated to a radioisotope).

Applicant needs to pick one of the aforementioned species.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
